4. Processing purposes and legal basis

We process your personal data in accordance with the provisions of the European General Data Protection Regulation (GDPR) and the Federal Data Protection Act (BDSG), provided that they are necessary for the justification, implementation and fulfilment of a contract as well as for the implementation of pre-contractual measures.

In addition, the disclosure of personal data may become necessary in the context of official/judicial measures for the purpose of collecting evidence, prosecuting or enforcing civil law claims.

In addition, processing takes place if necessary to protect our legitimate interests (for example, processing in the CRM system or Approved Vendor List AVL) or third parties as well as to defend and assert legal claims pursuant to Art. 6 paragraph 1 letter f GDPR. If necessary, we will inform you separately, stating the legitimate interest, insofar as this is required by law.
